 Department of Psychology
RAVENSHAW JUNIOR COLLEGE, CUTTACK.
 Quotation Call Notice No. 71 . dt. 08.01.2016

Sl. No.	NAME OF THE ITEMS WITH SPECIFICATION
1	Muller Lyer Illusion (Quick-change Board). Standard 16cm. The board is mounted on a stand using an 'X' block which allows rotation of the board to adjust the Standard to right or left very quickly & easily.
2	Mirror Drawing Apparatus Metal star with Digital Electronic Error Counter, Stop Watch and Audio Signal. It has a Star with square notches cut on a precision die-punch. The star is to be traced using a specially made metal stylus. Electronic Digital display automatically records the errors when the stylus touches the side. A Digital Electronic Stop Watch records the time taken for 1 trial. It also features an audio signal (with on-off switch) giving feedback of the errors.
3	Memory Drum using Stepper Motor & electronic controller. Absolutely silent. Exposes 25 lines in one Revolution. Uses special purpose stepper motor ensuring silent and maintenance free operation. Electronic logic controller controls the exposure time from 0.5 seconds to 4 seconds. It has a 4 inch diameter drum for exposing typed matter.
4	Tachistoscope Electronic Exposure time electronically controlled from 0.1 to 5 seconds, continuously variable. Useful for exposing cards of 5.5" X 3.5" and 8" X 6" size.
5	Tachistoscope Dodge or mirror. (two compartments) This has one fixation chamber and one exposure chamber. This ensures uniform illumination level before and after the exposure. Exposure time of stimulus is electronically controlled from 0.1 to 5 seconds, continuously variable. Size of the cardholder 5.5" X 3.5".
6	Metronome (Electronic) Calibrated for use in psychological experiments, with arrangement for accentuation of every 2 nd , 3 rd , 4 th or 6 th beat. Frequency of beats continuously variable from 40 to 210 beats per minute. Works on 3 medium size Dry cells of 1.5 V. Very low consumption ensures long call life.
7	Metronome with Bell (mechanical) Original. German Made- Wittner.
8	Raven's Coloured Progressive Matrices for children (RCPM)- Complete Set Original Pearson India.
9	Stop Watch (Mechanical)- Racer (1/10 th) Original.
10	Stop Watch Digital- Racer (1/10 th) Original
11	Conservation of Liquid Substance- On Iron Stand. One Burette 50ml. Beaker 50ml (Borosil) X 3 Nos. – Complete Set.
12	Conservation of Liquid Substance- One plastic Stand. one Burette (Poly Lab) 50ml. beaker 50ml (Polyab) X 3 Nos. - Complete Set.
13	Mirror drawing Apparatus Box type using printed star patterns to be traced by pencil. An adjustable screen is provided- to block the direct view of the star. Trace on the paper star is the record.
14	Memory Apparatus- Manual type
